

## Backup for Microsoft 365<sup>®</sup> from Intermedia

### UNLEASH ALL THE PRODUCTIVITY IN MICROSOFT 365

Microsoft 365 is the number-one cloud-based productivity suite, with powerful tools for communication, collaboration, and content creation. However, out-of-the-box functionality does not easily restore lost, deleted, or corrupted data to ensure ongoing productivity. Intermedia Backup for Microsoft 365 empowers you to get the most out of your investment by protecting your data and productivity.

### BETTER TOGETHER

**Intermedia  
Backup**

### WHY BACKUP FOR MICROSOFT 365?

Intermedia Backup for Microsoft 365 provides simple and complete protection for your Microsoft 365 users through regular backups with unlimited capacity and retention for your Microsoft 365 tenant, including OneDrive for Business, Microsoft Teams, SharePoint, and Office 365 Groups. Backup for Microsoft 365 can be turned on in seconds with up to 6 daily backups and no data limits or overages using a full cloud to cloud backup. There's no impact on your business or any requirements for additional hardware or software.

- Complete backup coverage of your Microsoft 365 data including Microsoft Teams
- Most frequent snapshots of SharePoint and OneDrive data
- Unlimited data retention for your backups including deleted users
- Unlimited storage for your data backups helps you adapt as your business grows
- Industry leading security and privacy policy for HIPAA and GDPR support
- Hassle free set up and management with no client-side software installed

Intermedia has been recognized by J.D. Power for providing "An Outstanding Customer Service Experience" for its Assisted Technical Support. J.D. Power 2023 Certified Assistance and Technical Support Program<sup>SM</sup> recognition is based on successful completion of an evaluation and exceeding a customer satisfaction benchmark through a survey of recent servicing interactions for its technology service and support operations.
